

WHAT IS THE MISSION OF THIS PROJECT?

- To Formulate Design and Appearance Standards (Guidelines) for Commercial Structures and Public Space within the Fountain Olde Town and U.S. 85 Gateway Districts.

WHAT ARE DESIGN GUIDELINES ?

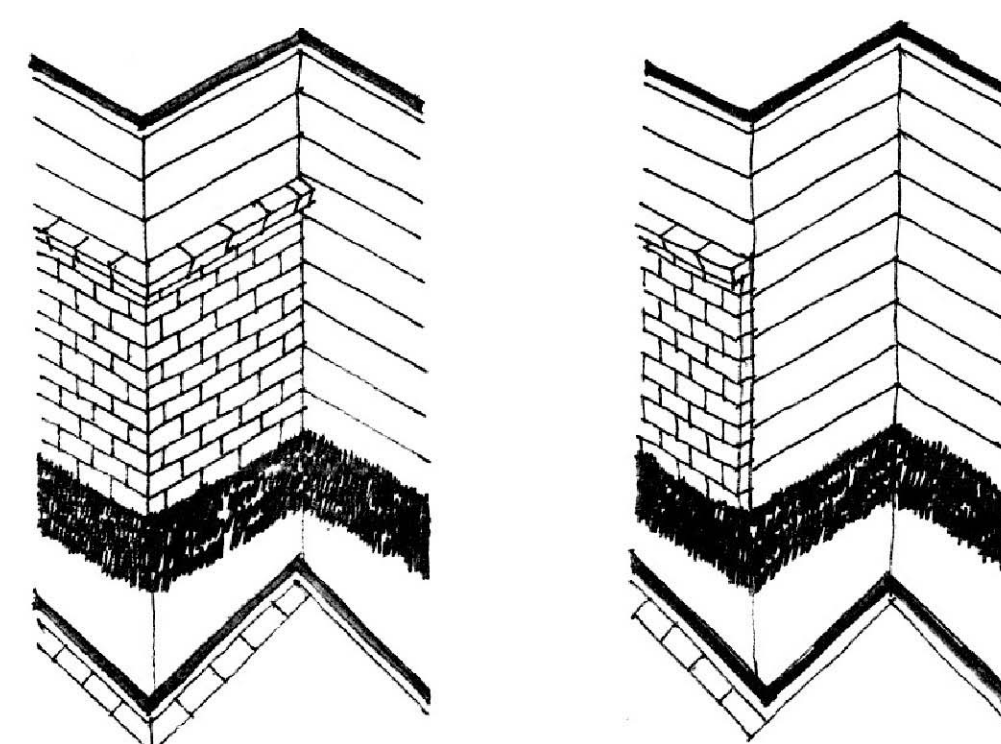

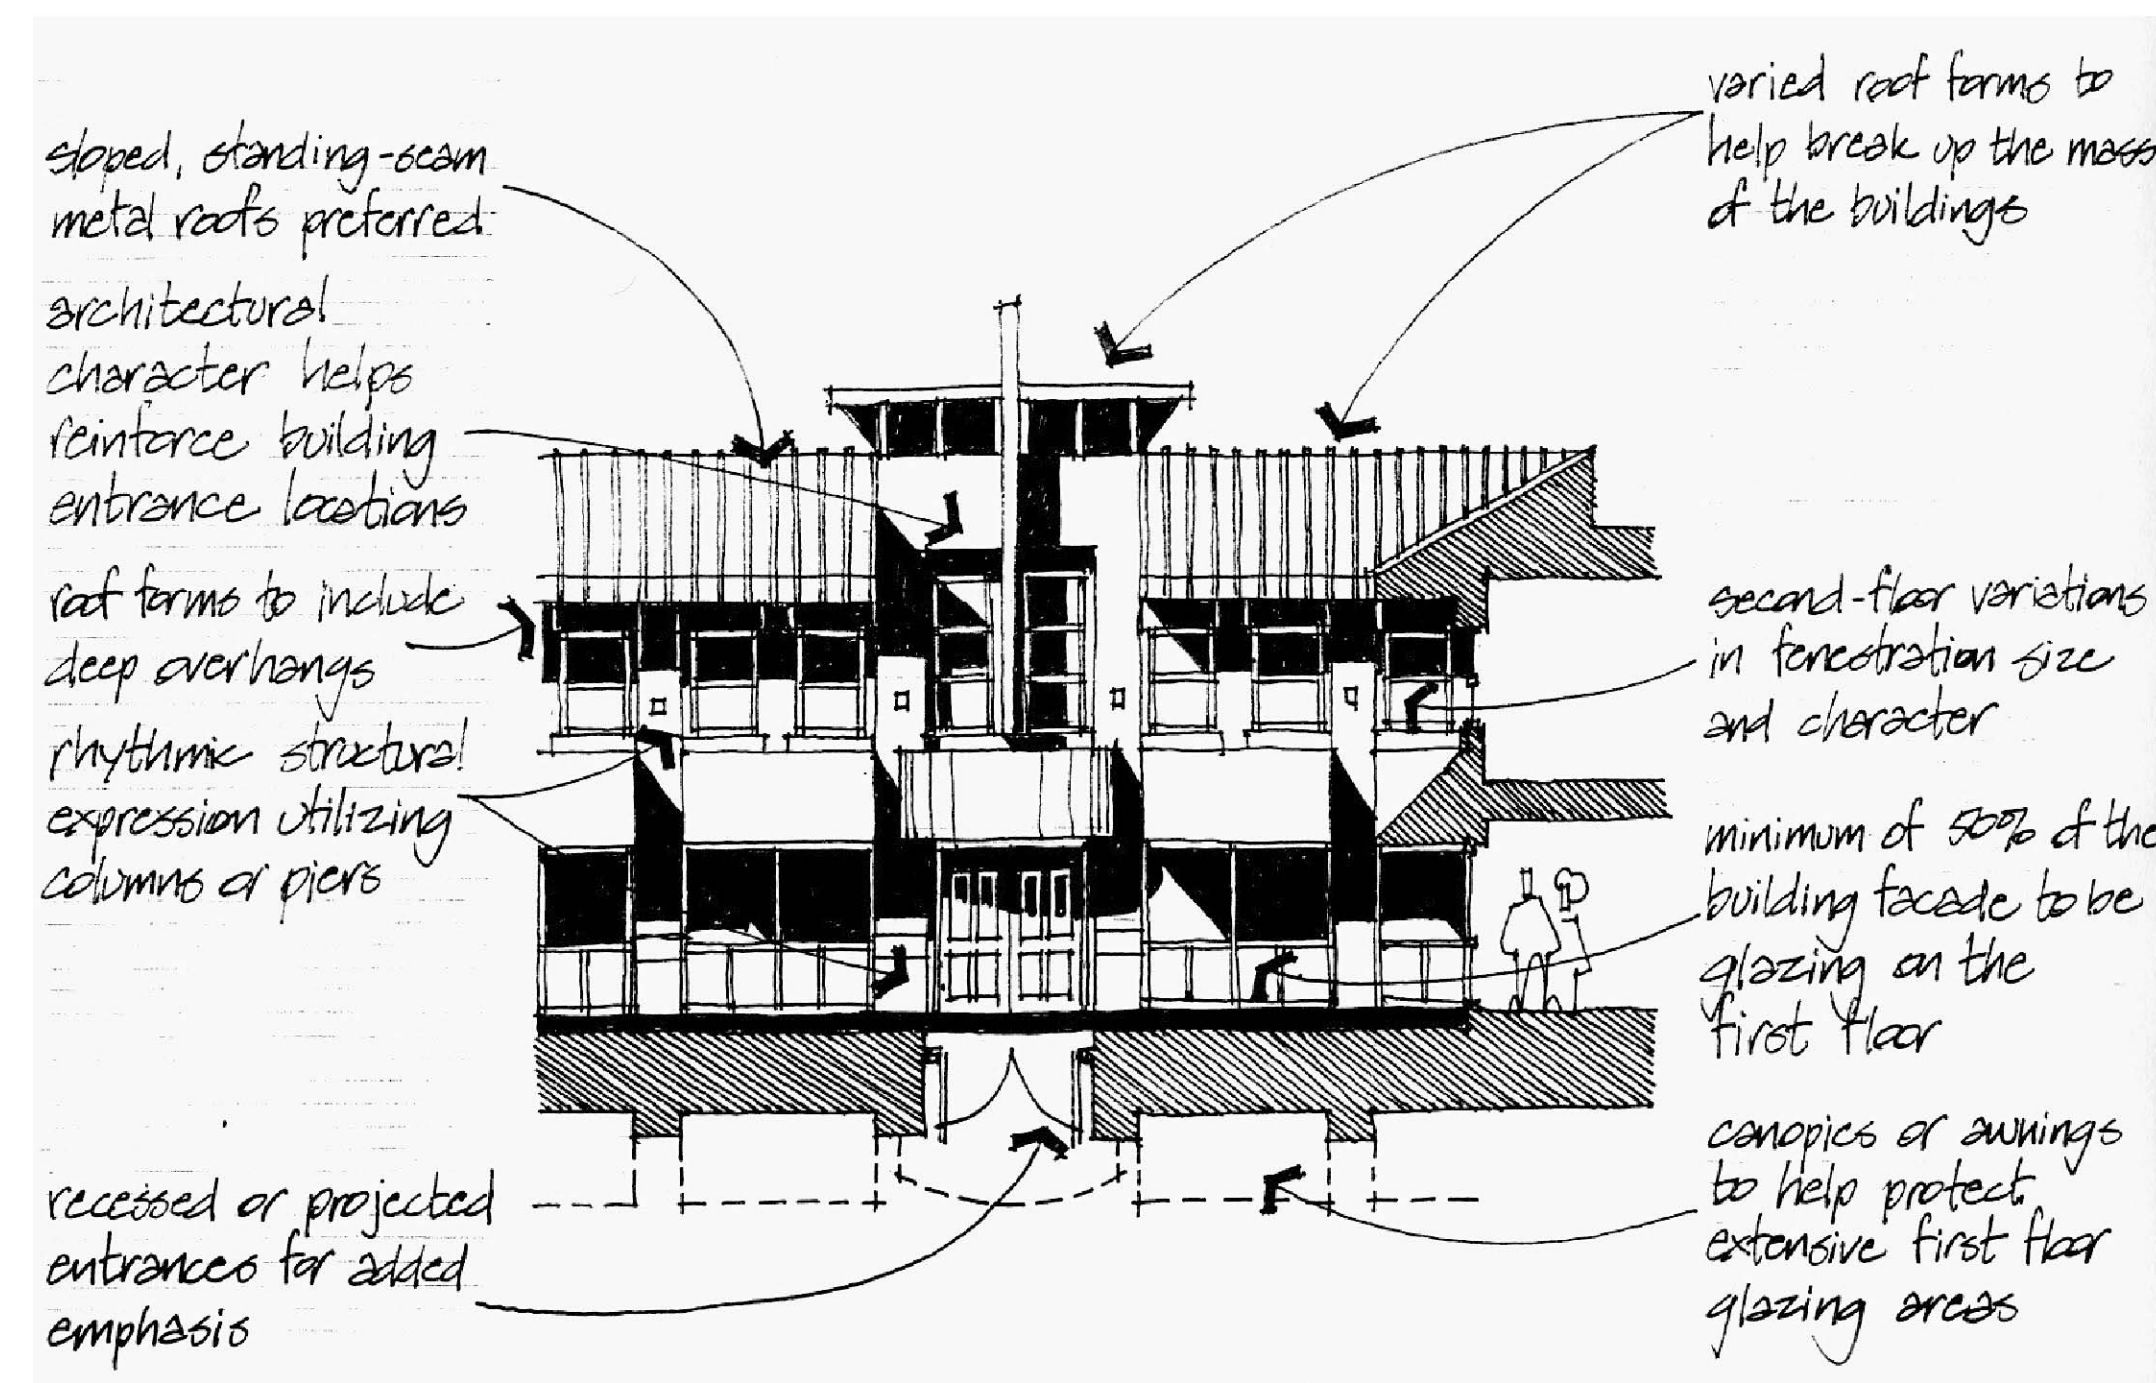

- Design Guidelines are a supplemental document to the City of Fountain's Zoning and Development codes.
- This document of Design Guidelines will further define specific details and requirements that developers of new commercial structures and public spaces will be required by the City of Fountain to abide by.

WHAT IS THE BEST WAY TO STAY INVOLVED?

- As members of the community, **YOUR OPINION** matters!
- **Keep Informed:** The Fountain Urban Renewal Authority website is updated Regularly with information and exciting news. Find us at www.furaco.org Find additional updates via Mayor Gabriel Ortega at www.facebook.com/MayorGabrielOrtega

WHAT IS MEANT BY DESIGN STANDARD?

Architectural Design Standards

Town Space Design Standards

Landscape Architectural Design Standards
