**FOUNTAIN URBAN RENEWAL AUTHORITY
2020 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The Fountain Urban Renewal Authority (Authority) was formed by resolution passed by the City Council of the City of Fountain, Colorado (the City) pursuant to the Colorado Urban Renewal Law, Colorado Revised Statutes. The purpose of the Authority is to acquire and develop certain blighted areas in the City to maintain the public welfare.

The Authority is considered a component unit of the City since the Authority's tax increment financing indicates financial accountability with the City, due to the benefits redevelopment will provide the City. The City Council approves appointments to the Authority board and the City Council reviews the Urban Renewal Plans and any changes thereto. Legal counsel is of the opinion that under state statutes, the City is not liable with respect to the bonds issued by the Authority.

The Authority has no employees and all administrative functions are contracted.

The Authority prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

Property Taxes

The Authority receives incremental property tax revenue for all active Urban Renewal areas. Incremental property tax revenues are the property tax revenues in excess of an amount equal to the ad valorem property taxes produced by the levy at the rates fixed for such year by or for the governing bodies of the various taxing jurisdictions within or overlapping the Urban Renewal area upon a valuation for assessment equal to the property tax base amount. The property tax base amount is certified by the County Assessor as the valuation for assessment of all taxable property within the Urban Renewal area last certified by the County Assessor prior to the adoption of the Urban Renewal plan. The base amount may be proportionately adjusted for general reassessments in accordance with Colorado law.

The calculation of the incremental property taxes budgeted is displayed on the Property Tax Summary pages of the budget at the estimated mill levy for the project areas.

Sales Tax

The Authority receives incremental sales tax revenue generated from the following project areas from the City's general sales tax of 3.0%, in excess of a certain sales tax base amount:

- U.S. Highway 85 Corridor project area – sales tax shared at 0.25%
- South Academy Highlands project area – sales tax shared at 2.50%

2020 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenues (Continued)

Transportation Sales Tax

The Authority receives transportation sales tax revenue generated from taxable transactions occurring within Lots 1 through 8, inclusive, South Academy Highlands Filing No. 1 less the Authority Administrative Fee in an amount equal to 3.0% of the gross Transportation Sales Tax Revenues during the Non-TIF Term.

The City's Transportation Tax is imposed at the following rates: (a) for the period preceding the issuance of the Bonds to, but not including January 1, 2020, the rate of 0.75% and (b) for the period commencing on January 1, 2020 through and including June 1, 2044, the rate of 0.40%.

Use Tax

The Authority receives incremental use tax revenue generated from each project area from the City's general use tax.

Public Improvement Fees

The Authority anticipates receiving \$445,000 in Public Improvement Fees (PIF) during 2020. Pursuant to the PIF Covenant, these fees are pledged revenue to be used toward the repayment of the Series 2015B, 2014C and 2014D Bonds.

Rental/Lease Income

In 2020, the Authority anticipates receiving rental/lease income in the amount of \$56,880.

Net Investment Income

Interest earned on the Authority's available funds has been estimated based on historical interest earnings.

Administration Fees

The Authority imposes an administration fee to the project area. The administration fees are calculated as 3% of the incremental revenues collected.

Expenditures

Administrative Expenditures

Administrative expenditures include the services necessary to maintain the administrative viability such as legal, accounting, audit, contractual services and other administrative expenses for the Authority.

County Treasurer's Fees

County Treasurer's collection fees have been computed at 1.5% of the incremental property taxes.

**FOUNTAIN URBAN RENEWAL AUTHORITY
2020 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Expenditures (Continued)

TIF Reimbursement

Upon collection of incremental sales taxes in certain agreements with the Authority, the Authority submits a portion of the sales taxes received per the requirements in the redevelopment and reimbursement agreement.

Redevelopment Expenditures

The Authority participates in various redevelopment projects within the project areas and funds the expenditures with the unpledged TIF revenues received.

Debt Service

The principal and interest payments due every May 1 and November 1 will be based on the amount of funds available on the 40th calendar day preceding each Interest Payment Date; therefore a scheduled amortization has not been included in the budget.

Debt and Leases
